About the 2023 Accounting Scholarships

Tampa Accounting Firm, Taxes Tampa, is proud to announce the support of Accounting education in the Tampa Bay community. Based on recent reports from Business Insider and Fortune Magazine, it's been identified that fewer college students are choosing Accounting as a major and career path. With the growing concerns of an accountant shortage, Taxes Tampa aims to help those who are choosing to pursue Accounting upon graduation.

Taxes Tampa is granting **2 scholarships** (\$1,000 each) to students meeting the requirements below. Applications must be postmarked no later than **July 30, 2023**. The monetary value of the scholarship will be issued for use during the Fall/2023 semester.

The scholarship recipients will receive funds after Taxes Tampa receives proof of the following:

1. A completed application (see below)
2. Proof of enrollment at a 4-year college or university

Applicants must:

1. Be currently enrolled in a Tampa Bay area Community College, Private University, or Public University pursuing a Bachelor's or Master's degree in Accounting, Finance, or Business for Fall 2023.
2. Must be enrolled at least part-time, with a 2.0 average or better per semester.

Part of this scholarship includes free mentoring from the Taxes Tampa staff as you continue to grow your accounting career in Tampa Bay!

Scholarship #2
